This parent-planned annual event provides graduates a fun, alcohol and substance-free environment for celebrating high school achievements with friends. It encompasses a wide variety of games, activities, food, prizes and fun for seniors to enjoy throughout the night. Sober Grad provides peace of mind for the parents and community, knowing their grads are celebrating joyfully and responsibly.

Since the inception of Sober Grad (over 20 years ago) by the Shasta County Chemical People, there has not been a single alcohol related death due to a graduation celebration in our county. Please join us in prolonging that statistic!
